# THE MAROON 1955

*Elgin High School*

Elgin, Illinois

*An Epic*

Elgin's famous pageant, *The Song of Hiawatha*, involves many students and alumni of Elgin High School.

## *Here We Give To You The Story*

"Thus our sons and daughters leave us,  
Those we love and those who love us."

The Ancient Arrow Maker and his daughter, Minnehaha, who were immortalized by Longfellow, live again on the beautiful natural stage of *The Song of Hiawatha*.

# An Epic

"Should you ask me whence these stories?  
Whence these legends and traditions,  
I should answer, I should tell you,  
From the forests and the prairies,  
From the land of the Dacotahs."

The Song of Hiawatha, greatest of Indian pageants, is an Elgin institution. Since it made its humble beginning in 1927, hundreds of E.H.S. students have practiced long hours at school, and come pageant time, have felt the thrill of re-enacting the legends of the first Americans under the inspired guidance of Mr. Carl H. Parlasca, master of Indian lore and dramatic artist. Based on Longfellow's immortal poem, the pageant transports audiences back to the days when moccasined feet silently trod this unspoiled land. The feeling the pageant gives to performers is indescribable. It has become almost a religion to many.

Once under the spell of Hiawatha, there is no escape. We believe the profound effect it has made on its "Injuns" has made them better citizens of E.H.S. and of their community.

The 1955 Maroon, in presenting the epic of this year at E.H.S. will parallel Elgin's true epic of American Folklore. We are proud to present the 1955 Maroon — "An Epic."

# *And Of Those Who Have Inspired Us*

This bust of Henry Wadsworth Longfellow, who penned "The Song of Hiawatha" one hundred years ago, has an interesting history. Sculptured from life by the great American sculptor, Samuel J. Kitson, it is said to be the best likeness of the great poet in existence. Shortly after the dedication of the Goble library, it was given to Elgin High School by the sculptor's family and is now one of our most prized possessions.

## A TRIBUTE

"Daughter of the moon, Nokomis..." These words cannot fail to conjure up floods of warm memories in the hearts of countless people whose lives were made more worthwhile by their acquaintanceship with Mrs. E. Maude Parlasca, beloved Elgin High School teacher, friend of white man and Indian alike, and superlative performer in the Song of Hiawatha,—a friend who was called away by the Great Spirit on August 31, 1954. This book does not pretend to be a memorial to this great woman. Her memorial is in the lives of the many young men and women to whom she helped give direction. Her life was truly, "like a lovely tree that fell and left an empty place against the sky."

## *Administration And Faculty*

"We have listened to your message,  
We have heard your words of wisdom,  
We will think on what you tell us.  
It is well for us, O brothers,  
That you come so far to see us."

— Longfellow

The Board of Education: Secretary, Mr. Willard Beebe, Mr. Brandis, Mr. E. O. Southard, Mr. Orrin G. Thompson, Mr. A. E. Schmidgall, Mr. Chauncey H. Wells, Mr. Albert F. Billings, Mr. John S. Page, President, Mr. Raymond M. Pearsall, Mr. S. Mills Enoe.

## *These Provide Our Schools And Head Them*

The Board of Education is a very important part of the Elgin School System. The Elgin citizens have wisely chosen men who cooperate to further the education of young people in the community. With their knowledge and guidance Elgin continues to have a high ranking school system in our nation. These men are largely responsible for the new buildings and additions which have been constructed to enable students to receive the finest education possible. We all greatly appreciate the time and effort which they spend helping us.

Mr. Orrin G. Thompson  
Superintendent of Elgin Public Schools

Mr. Marvin L. Berge  
Assistant Superintendent and  
Director of Curriculum and Instruction

## *This Our Well-Loved Chief And Good Friend*

Elgin High School is fortunate indeed to have a man as dedicated to the task of building youth into useful, well educated citizens as is Mr. R. S. Cartwright, principal and real friend to every student. His warm personality and genial good humor help guide us along the trail. When we reach its end, his tireless efforts to place the right student in the right job or college pay off in happiness. Many will always think of him as a true friend.

# *These Who Give Us Kindly Guidance*

Mr. John A. Krafft  
Assistant Principal and Dean of Boys

Miss Margaret R. Fosberry  
Dean of Girls and Girls' Club Sponsor

The deans are always willing to lend a helping hand or listen sympathetically whenever the case may arise. They never fail to have time to give advice when it is asked of them, they sign for excused absences, they aid us in applying for scholarships, and they help us to plan our program cards to comply with future needs. Among their less pleasurable duties is that of talking to students who fail to keep their grades up.

The deans are true friends to all of us, whether we are above average or average students.

Those popular and efficient people who help keep E.H.S. running smoothly: the office staff, Donna Zimmerman, Norma Willeart, and Mrs. Eva Hopkins.

Mrs. Lueck, Attendance Director, with two of her helpers, Bonnie Brittenum, and Ruth Genz.

Mr. Robinson, High School Treasurer, and his secretary, Mrs. Arlene Johns, keep busy with high school wampum.

## SENIOR CLASS HISTORY

"The past a foundation, the future a challenge." With its motto as its basis, the class of 1955 prepares to retain memories of past success and to advance beyond the doors of E.H.S. into a promising future.

As sophomores, the class grasped its new situation, and its first party proved the class one of ability and determination to do a superior job.

In 1953, a group of enthusiastic juniors presented its first play, *"Men are Like Streetcars."* At Homecoming, 1955's float tied for first place in the most beautiful division.

Proud we can be of the senior class of 1955! The play, the float, the song, a championship basketball team, and a state champion debate team combine to spell out the success of 1955.

With memories of the class supper, the Prom, and graduation still lingering, the class of 1955 looks forward!

## *Happy Hours Of Fun And Frolic*

The Class council of 1957 has worked industriously with their class officers to make excellent choices for a class ring, emblem, mascot, and colors.

With combined effort they completed an outstanding float for Homecoming. Patience and careful planning resulted in a successful class party. Many hours were spent to perfect an original skit for Stunt Night. A party was given for the incoming Class of 1958 to acquaint them with high school. Throughout the year the class of 1957 has shown the great talent, leadership, and dependability they possess.

### JUNIOR CLASS HISTORY

In September of '53 the class of '56 entered the halls of E.H.S. as awed sophomores.

Under the leadership of Mr. Cook and the newly elected officers: Dick Ciaccio, president; Joe Giambelluca, vice-president; Jill Zimmer, treasurer; and Gwen De Young, secretary; all combined efforts on the Homecoming float, the class party and the choosing of class rings, sweaters, and colors.

The '56 Homecoming float was chosen "most beautiful", a grand start for the junior year.

In co-operation with Mr. Cook, Miss Siren and its officers, Dick Ciaccio, Eddie Stewart, Jill Zimmer and Joyce Weisner; President, Vice-president, Treasurer, and Secretary respectively, the class began preparation for the class play, followed by the selection of class flower, motto, song, and banner. The Junior-Senior Prom climaxed a busy year.

Elgin High School is deservedly proud of its fine student council, an organization that has compiled an enviable record of service to the school and the community. The Student Council functions as a go-between, helping to minimize rules. Problems of EHS are brought before the council and are solved through cooperation rather than through coercion.

Representatives are elected by each of the 52 homerooms. It is the duty of these representatives to report proceedings of the council back to their homerooms and to take any questions or suggestions from the homeroom to the council.

The Council also sent delegates to state and national conventions. The Maroon is happy to salute a heads-up organization.

# Solving Problems For Their Brothers

The council's biggest activity this year was acting as host to the Northeast-Northwest District Convention of the Illinois Association of Student Councils. Over six hundred student leaders from all over Northern Illinois assembled in the E.H.S. gymnasium to discuss problems and exchange ideas. Elgin was fortunate to have the world-famous Olympic athlete, Jesse Owens, to deliver the keynote speech.

Elgin's Carolyn Gromer, Second Vice-President of the District, related her experiences this summer as an exchange student in Europe, and panel discussions were held on specific student council problems. The convention closed with the announcing of the winners of the vigorous election campaign.

Much credit is due to Lorna Steffen, convention secretary; Mr. Wilson, student council adviser; and the whole council for the success of this convention, one of the biggest student council conventions in the nation.

Throughout the school year, the Girls' Club is very active. The club, in which every girl in school is a member, is under the sponsorship of Miss Margaret Fosberry, Dean of Girls. Dad and Daughter Date Night, the Mother and Daughter Tea, and helping to support a mountain school are a few of the annual projects undertaken by the organization.

# Mirrored Is The Complete School News

Throughout the year the Mirror has once again brought us its factual reports of school events interspersed with lively interviews and commentary. Under the leadership of Selma Mitchell and Marge Horne, first and second semester editors respectively, and Miss Enid Burns, its capable sponsor, the Mirror Staff has worked hard to give you a variety of features.

Extra work enabled us to have an issue to celebrate and remember this year's second place state tourney basketball team. Other 'extras' were a special Christmas issue and a rotogravure section included once a month. The former featured themes of English students.

The paper highlights student photography, articles, and for the first time student developing work. All in all the Mirror's biweekly issues are one of our main sources of enjoyment throughout the year.

## *Memories Gathered To Be Treasured*

*Accepted, rejected* — the two words heard most throughout the year in room 202. Last spring ideas for the theme were submitted to Mrs. Meadows, our sponsor, then tossed around and stamped with either of those two inevitable words.

Plans were made for pictures to be taken of students, faculty, classes, activities, and sports. Of the many that were taken a few were accepted, many more were rejected. Pictures were sent in; layouts sent back. The staff then coordinated names, pictures, rooms, and teams and tried to think of appropriate captions. Copy was added to this conglomeration and again the postman was overloaded.

Then, presto! Elgin High's 1955 Maroon was here to be distributed to the waiting students.

This is the final test, and we hope it is marked by a large size ACCEPTED by you.

# Service Rendered Well And Gladly

The Junior Red Cross has undertaken many worthwhile projects during the year. To finance the activities the council sponsored a Red Cross Drive. Each month a group of students make a trip to the State Hospital. In the Veterans Wards they put on a program, dance with the patients, and serve refreshments to them.

Aid was given to needy orphanages and reformatories. Gifts of clothing and supplies were sent to Mr. Stewart, a former faculty member of Elgin High School, who is now teaching in Japan. The Red Cross members have kept up an interesting correspondence with him. These things and other important service projects have made a full program for the members of the council.

Elgin High is extremely proud of the fine students who have brought it so many honors during the 1954-1955 school year. Among these students was the debate team, whose triumph in the State Speech Tournament crowned an impressive year. Sally Thurnau's second in extemporaneous speaking brought the Elgin team within one point of winning the sweepstakes trophy. The team's undefeated record in the Illinois competition qualifies them for the national tournament in California where the Maroon wishes them the best of luck.

# We Progress With Work And Pleasure

Language clubs play a big part in the social life of many E.H.S. students, and also help increase interest in languages.

The Latin club entered a float in the Homecoming competition, had a Valentine Supper, and a picnic. Their skit in the All Language Party was based around the Trojan Horse.

The Spanish Club enjoyed movies on Mexico, had a colorful Christmas Fiesta complete with pinates, gave a Valentine party, and provided Spanish-seasoned entertainment at the All Language Party.

The All Language Party included a program of refreshments and dancing, and helped to bring out differences and similarities in the languages taught at E.H.S.

## *Makers Of Melodious Music*

Once again, another activity-packed season has come to a close for the Elgin High School Orchestra. The ever-growing organization, under the direction of Miss Marion Laffey and the able leadership of President Linda Switzer, Vice President Marge Gazdick, Secretary-Treasurer Eleanor Peirce, Librarian Virginia Ball, and Typist JoAnn Underwager, has been one participating in many activities throughout the year.

In November the orchestra and band members traveled to Chicago to attend the first performance in the United States of Liebermann's Concerto Grosso for Jazzband and Symphony Orchestra by the renowned Chicago Symphony and the popular Sauter-Finegan Orchestras.

After such an example of fine musicianship, the orchestra set to work preparing for the annual Operatic Nights which took place in October, and the more serious type of music for the *Messiah* in December.

With the beginning of the new year, preparations were already underway for the Spring Concert given in March and the concluding distinction of the season — a trip on March 30th to Northern Illinois State Teachers College at Normal, Illinois where the orchestra presented a concert for the entire college student body.

# *Please Us With Their Reeds And Brasses*

The E.H.S. Band under the direction of Mr. Douglas Steensland has increased in its membership as well as improving its ability and technique. The band gives two complete concerts annually, one in midwinter and the second in the spring. It participated in assemblies, and parades as a service organization, performed on the football field during the half-time at every home game, and offered an outstanding show at Homecoming.

This year the band journeyed to Roschell, Illinois and was the guest of the high school band in that city. Another trip was taken, during the football season, to La Salle-Peru where the band was put through its paces in the half-time show.

In April and May, several bandsmen entered the district and state solo and ensemble music contests. There were numerous honors won as a result of much hard work and toil.

After completing the year's activity packed agenda, the band enjoyed its annual end of the year picnic.

This select group of singers, under the able direction of Mr. E. Arthur Hill, has contributed to a fine and outstanding year of music at E.H.S. The group's schedule was packed with performance after performance, each of equally fine caliber.

The school year started out in fine style as the A Cappella gave its first major program in the production of Operatic Nights in October. In the next few weeks preparations were undertaken for the annual performance of the *Messiah* in December. Four renowned, professional soloists were assisted by the A Cappella and orchestra in the presentation, which proved to be very successful.

In May and June the A Cappella completed its schedule with the Contemporary Arts Festival and Baccalaureate.

All in all the choir enjoyed a fine season offering worthwhile musical experiences and filled with continuous activity.

## *To Uphold Our Fine Traditions,*

This year's fine Elgin High School Football Team proved to be the surprise of the Big Eight. Slated for seventh place in the conference by many pre-season polls, the Maroons finished in a tie for second place with perennially strong LaSalle-Peru. The outcome of the Big Eight was not decided until the final gun of the season went off, and Elgin and LaSalle had ground to a 6-6 deadlock. The tie, plus East Aurora's final game victory, gave the Tomcats, the pre-season favorites, a clear claim to the title.

Elgin opened the season with a solid win over a highly touted York team. Next they crushed a badly undermanned Naperville team 45-7 on a rain soaked field.

In their conference opener Elgin rolled over Freeport. Elgin then had a scare thrown into them by a stubborn E-Rab crew, but came through late in the final quarter to take a close one. On succeeding weeks the Maroons then beat West Aurora and Joliet.

## *And To Bolster Spirit Higher*

Elgin High School has a reputation for producing fine teams. This year's team more than upheld the tradition, building to a climax of second in the state. The Maroons earned a high ranking among Elgin's greats.

Elgin opened the season with four impressive victories, two of them over highly regarded teams in the pre-season polls. West Rockford and Elgin then tangled in what turned out to be a preview of the ensuing tilt in the state finals. Elgin lost 56-62.

At the Hinsdale Holiday Tournament Elgin was upset by a strong Downers Grove team but came back to take third.

Top . . . Aley proves his prowess as he delivers the tip to Hudgens.

## *Is The Goal And Final Glory,*

After piling up five consecutive wins, Elgin and Moline hooked up in a high scoring duel with favored Moline winning 81-84. From this bitter setback, they rebounded to take second in the Big Eight. Elgin opened tournament play with decisive victories over Grant, Crystal Lake, and St. Edwards, sweeping their own regional.

The Sectional, and the Elgin cagers dropped Arlington Heights and Evanston from further competition, attaining their scoring high in the first game, 90-44.

## Toward Which Our Teams Have Ever Striven

Ranked 5th in the Sweet Sixteen, the Maroons soon shone by downing Georgetown, Galesburg, and Princeton in short order. In the final game Elgin and arch-rival West Rockford collided in a thriller that wasn't decided until the explosion of the final gun. The Maroons took second by a heart-breaking 2 points.

## Personal Gains Have Arisen

Coach Ebbert was confronted with a group of willing sophomores with better than average height and the right attitude.

They started the season with what is now an off-again-on-again record. They went into a slump at the end of the regular season losing three straight to La Salle, Thornton, and Joliet. Then their desire to win gave them that extra needed drive to close the season with six straight wins, the last four being in the Belvidere Tournament giving them the distinction of winning first place.

A lot can be expected from this team in the next two years.

The nation's most popular sport enjoyed a good season here at E.H.S. last year. They started the season cowing Dundee 7 to 1, followed up by defeating Wheaton 8 to 0. These wins typified the type of season the team had last year. Coach Al Sharf's swinging nine suffered a close defeat at the hands of West Rockford (3-4). Last year's team, which was comprised of twelve seniors, four juniors and one sophomore, could not leave much of their wealth of experience behind.

# *This Year in Games, Meets, and Matches,*

This year Elgin High School boasted a strong and spirited swimming squad. Coming on strong near the end of the season; they finished with impressive victories over Harrison Tech, Riverside-Brookfield meet was a thriller in which Elgin dunked favored R.B. by a lopsided 48-27 score.

## SWIMMING TEAM

Top row: Weg Thomas, captain; Howard Peitsch, captain; Dick Jurgens, Eckhard Brodde, Peter Heth, Frank Wasinger, Wayne Otte. Middle row: John Scroggins, manager; George Chislett, Allen Kent, Eugene Wittenstrom, Alvin Orr, Bill Hayward, Bill Martin, Herb Mullinax, Max von Isser, coach. Bottom row: Phil Nowak, John Emrich.

The infant sport of cross country is rolling. Comparatively new, Coach Martin drew a squad of ten boys willing to run their  $2\frac{1}{2}$  miles per day. Their win and loss record wasn't impressive but their morale was.

## CROSS COUNTRY TEAM

Standing: Manager Millard Dunton, Tom Aley, Ken Brown, Ron Buhmann, Gary Siegmeier, Coach James Martin. Middle: Phil Wencek, George Harms, Dave Miller. Bottom: Roger Doty, Bob Pawlak, Roger Micholas.

From his pipe the smoke ascending  
Filled the sky with haze and vapor,  
Touched the rugged hills with smoothness,  
Brought the tender Indian Summer.

---

Oh, the long and dreary Winter!  
Oh, the cold and cruel Winter!  
Ever deeper, deeper, deeper,  
Fell the snow o'er all the landscape.

---

Came the Spring with all its splendor,  
All its birds and all its blossoms,  
All its flowers and leaves and grasses.
